DUNNES STORES

Saturday the 2nd April Larne Foodbank will be doing a bag pack, so look out for us.

NI Regional Conference

Five of us from Larne Foodbank attended the Conference which was well supported. We had various speakers talking about Welfare Reform, Media, Corporate Partnership, More Than Food, and Best Practice. At the Conference we were told that 23,544 people have been fed by Trussell Trust Foodbanks in Northern Ireland, and that people had donated 255 tons of food. There are now 22 Ulster Foodbanks with 37 Centres and 1173 Agencies who have partnered to become referrers. Thanks to all who support the work volunteering, donating or referring.

Thank you for FOOD donations

Thank you so much for your continued support of Larne Foodbank, we couldn't do it without you. Our stocks of – Breakfast Juice, tins of tomatoes and biscuits are low so we would appreciate these items.

MORE THAN FOOD

The Trussell Trust asked Foodbanks to look at how they can best help people in crisis and to look at other ideas that my help. At our volunteer evening Larne Foodbank volunteers have thought about what we might do. One idea was to provide personal hygiene products as well as food. Examples of these are:- toothpaste, soap, showergel etc. As a result we are asking for donations of these items as well as the food supplies we get in our weekly donations.

ASDA Green Tokens

Catherine McCallion, the ASDA community champion, delivered a cheque to Larne Foodbank for £50 which was the amount we received as a result of the Green Token campaign which you all supported, so thank you for popping the little green tokens in the box.
