also from

Larne or Glenarm
Visitor Information Centres
or from your local
church.

Carnlough Vintage Day

Larne Foodbank is taking a stall at Carnlough Vintage Day on Saturday 30th July to promote the Foodbank to those who live in the Carnlough, Glenarm area. We have been working with a really active group in the area for a few months now and want to support them in helping those in need in their community. If you are at the Vintage Day pop along and say hello.

Summer Schools Out Promotion

We all enjoy the summer months but for those with children who live on a really tight budget it can be a real struggle. Larne Foodbank wanted to help those who are in receipt of free school meals and gave flyers to schools in the area. Already we can see a rise in the number of families with children receiving food. During term time the numbers of children fed is usually around about 9 per month but already that number has risen to 16 in July. Thank you for your support for Larne Foodbank which enables us to help these families.

.....

Since January we have fed a total of 375 people, 299 adults and 76 children. Without you we could not do it. Thank You.

Three of our Volunteers are doing a training course with Trussell Trust's Eat Well Spend Less trainer Alex Howell at Lisburn Foodbank next month. Watch out for more news of this initiative.

.....

Hope you are all having a lovely summer and thanks again for your support.
