## Christmas Hampers 2022

A wonderful team of volunteers have counted items, moved stock, packed and prepared 381 bags of basic items, household products, Christmas luxuries and toiletries which provided much needed Hampers to 252 families. Twenty-two different local agencies referred people they are working with who they knew would be struggling over Christmas. Some of the agencies were also able to provide toys along with the Hampers. It was great to see the whole community working together to provide the items and work so quickly to pack up the bags.
