We would also like to thank all the individuals who continue to support us financially as well as physically with your time, food donations and your prayers. Without your wonderful support we simply would not be able to continue to meet the needs of those in our community who are faced with the reality of food poverty.

If you would like to support us with food items for our food parcels, we would be grateful to receive items such as:

**UHT Milk    Tinned Fish    Fruit Juice    Smash or Tinned Potatoes**
