

## Larne Music Festival!

From Wednesday 2nd of April to Saturday 5th April, groups of children from all over the province arrived at 1st Larne Presbyterian church hall to take part in the annual Larne Music Festival. Each group arrived just before their allotted time, so the day was filled with young singers and musicians to show what they could achieve. The quality and standard was something to be seen and heard. Larne Foodbank would like to thank the organisers for inviting them to run a donation based refreshments table and giving us the proceeds of their Gala Concert. Over the four days, those attending very generously donated £481.35 and the donations towards the Gala Concert was £632.25, an amazing total of £1113:60 to Larne Foodbank. This money will be used to help those people living in and around Larne who find themselves in crisis.

As our volunteers were listening to the choirs and players of all ages we all agreed that the standard was something to behold. In a word "exceptional" and so worth attending. I for one am looking forward to next year's event.

Larne Foodbank is here to help local families and individuals who find themselves in crisis and unable to afford food

For our Foodbank volunteers it's a good feeling when they are able to help with a food parcel and a listening ear.

However, none of this would be possible without our wonderful donors, they are the unsung heroes. Whether its monetary donations or a tin of soup or a packet of tea bags, our donors give all that we need to provide much needed support when our clients need it most.

So a huge "Thank You" goes out to all of you who donate to Larne Foodbank. Without you we would simply not exist. Every item donated is one more that is used to help someone in our community. So from all at Larne Foodbank, we are very grateful for your support and proud of the way our wee town comes together to support each other in a time of need.
