

# Thank you ♥ ASDA

Did you know that every donation that you place in our Foodbank trolley at the Larne Branch of ASDA is weighed and we receive a top up sum based on the combined weight of the donations? The latest payment received was for an amazing £1307:95.

Asda have kindly allowed us to place labels on the shelves to let donors know which items we are short of so keep an eye out for the small tags like the one below that are displayed on items we are currently short of.

Larne Foodbank volunteers were saddened to see the latest figures from Child Poverty Coalition that state that 22.2% of children in Mid & East Antrim are living in poverty. With your support we want to make sure that no child living in our town goes hungry this summer.

**Need help feeding the family during school holidays?**

**Nobody living in and around Larne needs to go hungry.**
